Success ahead for those who save

J. J. Hill's Test:

"If you want to know whether you are destined to be a success or failure in life, you can easily find out. The test is simple, and it is infallible: Are you able to save money? If not, drop out; you will lose. You may think not, but you will lose as sure as you live: the seed of success is not in you."

—J. J. Hill.

SAVING money can be made a habit. Deposit weekly a part of your income in the *Traders Bank*. The same courteous attention is given to small savings accounts as to the largest depositor. Interest is paid on deposits of One Dollar and upwards.
